I was wondering through the forest one day.I happened to see a Pokemon Trainer.She seemed happy for some reason.I had no idea why.I walked up to her and looked at her."Maybe you'll be my master."I thought as I stared at the trainer.She looked at me and rubbed my soft fur.I liked the feeling of that.I smiled at the trainer.She picked me up."I'll name you Opal."She said happily.I felt loved.

Master often trained me.She loved me dearly it seemed.I was very happy.Very happy.Master often made me special poffins and gave me very good berries.I smiled at Master happily.She smiled at me.One day,We were walking through a forest.Master seemed happy to see

something.I didn't know what she was happy about.Master ran up to this small Skitty.It was shiny.I watched Master run over to the Skitty in joy and happiness.I felt lonely."Arent you adorable!"Master said happily as she picked up the Skitty.I walked over to Master.She didn't seem to notice me.I looked at her.I began to feel angry.

Every since Master caught that shiny Skitty...She often forgot about me.She never made me any poffins or gave me special berries anymore.She kept me in my Pokeball.I haven't seen Master's face ever since she put me in this Pokeball.I was angry.I wanted to burst out of my Pokeball and rip that Skitty's face off.How DARE some other Pokemon steal my Master.I couldn't take much more anger.I decided that I was going to destroy that skitty.

When Master was asleep,I came out of my pokeball.I looked at my fur...My colors seemed to have darken...I didn't care much.I just wanted that skitty to go away.I walked over to the small cat Pokemon.It looked up at me and meowed.I took my shell of my belly and sharpened it."So you stole my trainer...?"I said as I glared at the Skitty.It began to back away from me.I followed it."Dont be afraid kitty...This won't hurt one bit..."I said with a evil grin on my face.I slashed the kitten with my scalchop.The Skitty yelped in pain.Blood driped from the cut on the Skitty's face."Skitt!"The skitty meowed at me in fear.I didn't pay attention to the kitten...It stole my Master.I dug my scalchop into the Skitty's eye.Blood gushed down it's face.The Skitty screamed in deadly pain.I smiled.I continue to attack the Skitty with my scalchop.I grinned evilly as blood splattered all over the Skitty and me.It was a wonderful sight.

The next day Master seen me asleep where Skitty was."Opal?How did you get out your Pokeball...And where is skitty?"She asked.I looked at Master as blood driped from my eyes and scalchop."Osha."I said to Master with a smile on my face."Skitty is gone..." Master looked at me in fear."What do you mean Skitty is gone?!"She screamed.I got up and glared at Master."I destroyed that kitten so you can care about me again..."I said.Master backed away as tears filled her eyes."Stay away from me u KILLER!!"Master screamed as she ran away in fear.I watched her run away.

"Im sorry Master..." I said with a small grin on my face as tears of blood fell.
