Since turning 23, I have
had many revelations

that have pressured
me in so much pain.

I haven't had a clue of
what to do with myself
since. It feels like
there is nothing in me
that has a right to exist.

my core purely as is
all needs repair and
cleansing

i dont know
what to do

i dont know
what to do

Where do i start?

how do i talk less?
how do i listen better?
how do i be less sensitive?
how can i be tougher?
how can i be braver?
how do i not forget?
how can i be more focused
how do i be more confident
how can i be better?
how do i get rid of
me holding on and
being so scared?
how can i be me?
~~to do~~ i have to fix so
much if i do.

so much starts
from within

its
at my
core

it all
does

god, can you
guide me on
this journey?

can you tell
me im
doing whats
right?
