

i dont know
whats in
there and i
dont want
to know
anymore,
its too late.

Nov 22

I wish
to be
back

when I

worried about
stupid things
that didn't
matter.

its so much
that feel like
a stained after
image in
my head
that doesn't
go away
ever.

its always
there

i used
to
atleast
function
for longer than
a day
