When i saw you in  
"Twice Smitten, Once  
shy",

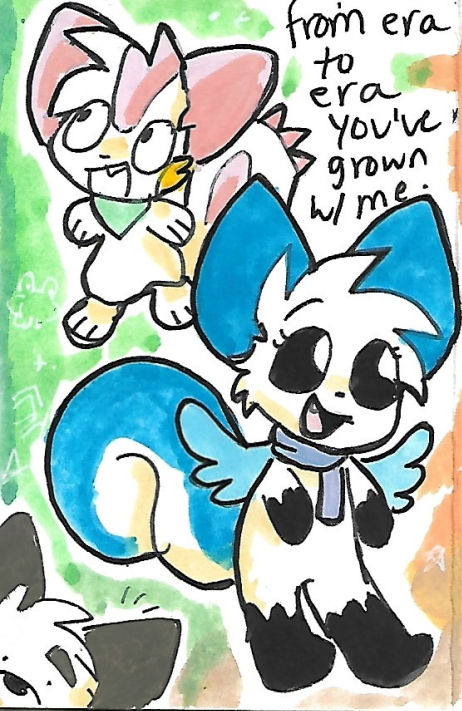

I was smitten for  
the rest of my life.

We've been best  
friends ever since.

Bad times  
and  
the good

We've  
seen  
it  
all.

from era  
to era  
you've  
grown  
w/ me.

you became  
your own.

you stayed you.

thank  
you so  
much,  
Pachirisu.

for always  
being you.  
for letting me  
be me.
